

SMI-JKMRC FRIDAY SEMINARS FOR SEMESTER 2 2018

Dates	Presenters	Title
Fri 27 Jul	Ali Soofastesi, Center for Advanced Analytics, VALE	Development of a Maturity Scale for Mining Performance and Maintenance Data Analytics.
Fri 03 Aug	Arno Kwade, Braunschweig University of Technology	New insights in wet and dry stirred media milling
Fri 10 Aug	Anna Littleboy, SMI, UQ	Mining Futures: growing a cross-cutting programme through the Sustainable Minerals Institute
Fri 17 Aug	Rodolfo Espinosa-Gomez, Mineralis	Tailing Filtration Practices in Mexican Gold and Silver Mines
Fri 24 Aug	Marcelo Tavares, University of Rio de Janeiro	TBA
Fri 31 Aug	<i>Mill Ops conference – no seminar</i>	
Fri 07 Sep	Nick Redwood, Whittle Consulting	Integrated Strategic Planning for the mining industry
Fri 14 Sep	Philip Bangerter, Independent Consultant	Selling Research: Lessons from Technology Commercialisation
Fri 21 Sep	Yongjun Peng, Chem Eng, UQ	Grinding and flotation chemistry-transforming the mineral processing plants
Fri 28 Sep	Dirk Baas, PanAust	The journey of converting Phu Kham from a manual to an automated copper concentrator
Fri 05 Oct	Dion Weatherley, SMI-JKMRC, UQ	Traversing a tumbling mill: an ore particle's perspective
Fri 12 Oct	Erica Avelar, PhD Scholar SMI-JKMRC, UQ	Influence of muscovite in the flotation of pyrite and arsenopyrite
Fri 19 Oct	Peter Erskine, SMI-CMLR, UQ	Drones and rehabilitation of mined land
Fri 26 Oct	Tim Napier-Munn, SMI-JKMRC, UQ	Diamonds
Fri 02 Nov	Angus Morrison, Imperial College	Positron emission particle tracking (PEPT) for mineral
Fri 09 Nov	Anthony Hodge, International Council on Mining and Metals	Mining and Society in the 21st Century
Fri 16 Nov	Tom Perkins, Rio Tinto	Current and Future Operations at Oyu Tolgoi
Fri 23 Nov	TBA	TBA
