

41st Sydney Basin Symposium – March 2019

Call for Submissions and Volunteers

Submissions

We are seeking expressions of interest to present at the 2019 Sydney Basin Symposium. All submissions and topics will be considered by the committee. We are looking for shorter presentations of 15 - 20 minutes, covering topics including (but not limited to):

- Mine geology
- Exploration
- Coal geology
- Hydrogeology
- Gas and petroleum geology
- Igneous geology
- Structural geology
- Geophysics
- Mine management and rehabilitation
- Environmental and Social
- State of the industry now and into the future
- Climate change

Please provide a preliminary abstract of between 300 and 500 words for review. There is no word limit on the full submission which will be included in the conference proceedings.

Submit your abstract to: admin@coalfieldgeologycouncilnsw.org

The closing date for submissions is: **31 August 2018**

Seeking Volunteers for the Planning Committee

We appreciate those who have already volunteered to be a part of our planning committee.

We are seeking further volunteers. If you are interested in being involved please
